

## **SHAWL Study Update**

2020-09-28 – Saliva Testing Start Date

**Please find an update regarding the SHAWL study below:**

**The saliva assay is now ready to deploy. The first saliva collection date is: 28/Sep/2020**

**If you have already started the study (without saliva assays), please contact the SHAWL admin team to arrange pick up of your saliva collection kits prior to the date above.**

If you have any questions about this, or any other aspect of the SHAWL study, please contact the Study Admin Team at [shawl@lunenfeld.ca](mailto:shawl@lunenfeld.ca).
